EAGLE 103.7FM N.A.U. INTERN INFORMATION

We are seeking students who are looking to acquire experience in the operation of a local radio station. This is a totally new station being built from the ground up which will provide some interesting learning situations.

EAGLE 103.7FM is wants to find very interested students who possess any or all of the following capabilities:

- Website content creation
- Graphic design
- Creative Writing
- Music research for Artist Bios and Photos
- Audio production
- Video production
- Help produce live morning show
- Set up interviews for morning show
- Attend events on behalf of EAGLE 103.7FM

Students with multiple capabilities are preferred. We will accommodate as many students that cover these abilities as deemed possible.

This should be a unique opportunity for students.
