

Organization offering internship: St. Frances Cabrini Catholic Church
781 E. Cliffs Parkway, Camp Verde, AZ 86322

Contact Person: Charlotte Chase, Ph.D.
928-227-2992, home
248-417-6020, cell

Type of Internship Offered: Unpaid

hours of work/week: 50 hours total. Once the project is complete,
the internship is concluded.

Total # of weeks: approx. 16 weeks

Special skills required: Web design and development, hosting
knowledge.

Duties and Responsibilities:

The Parish Council has determined that the Church would benefit from an informative and interactive website. Many examples are available and could be used as templates. No talent is readily available within the Church to accomplish this task and this undertaking would provide a meaningful college level assignment for a willing intern.

This project could be accomplished on a remote basis and done within the timeframe that is available to the student; that is, no particular hours or work week would be designated. Content can be creative and organized in a manner that would require approval by the Parish Council and yet allow for the student to demonstrate her/his communication style and learning.
