Rereading the Nature of Atomic Doomtowns

Andy Kirk, Ph.D., University of Nevada, Las Vegas

Northern Arizona University’s Department of History is proud to host Professor Andy Kirk for this talk on the images and ecology of atomic testing in Nevada and the convergence of public and academic history. There will be a reception before the lecture. Please contact the History Department at Leisl.Carr-Childers@nau.edu for details.

September 5, 2012
Reception 6:00 pm – Public Talk 7:00 pm
Liberal Arts Room 136
