The NAU Community Music and Dance Academy seeks a student worker to serve as evening building monitor in the Ponderosa Building. Candidates must be service-oriented, responsible, and friendly. Duties include signing in/out student studying through the Academy, maintaining proper conduct in the building, locking doors, and providing basic information about Academy programs and campus locations to the public. Building monitors will be needed on a weekly basis two nights from 6 – 9pm (starting at 5pm on Fridays) scheduled in coordination with current lobby monitor. Candidates must undergo a background check before being hired. The hourly rate is minimum wage.

To apply: please complete and submit the Employment Application available on the Academy website (http://nau.edu/CAL/Music/Academy/Employment/) and include which nights you are available to work.
