“Kill Your Darlings” is based on true events and characters. For dutiful son Allen Ginsberg (Daniel Radcliffe), Columbia University is Mecca—a portal to art, intellect, culture, and freedom. When Allen is accepted into Columbia, his father Louis (David Cross), a working-class poet, urges him to leave his emotionally ill mother Naomi (Jennifer Jason Leigh) behind and head to New York to go pursue his own creative dreams.

Matthew Goodwin and James Joiner from the NAU Philosophy Department will lead a discussion following the film screening.
