Recounting the chaotic events that occurred in Dallas, Texas on November 22, 1963, “Parkland” weaves together the perspectives of a handful of ordinary individuals suddenly thrust into extraordinary circumstances: those at Parkland Hospital; an unwitting cameraman who captured what became the most watched and examined film in history; the FBI agents who nearly had the gunman within their grasp; the brother of Lee Harvey Oswald, left to deal with his shattered family; and JFK's security team, witnesses to both the president's death and Vice President Lyndon Johnson's rise to power over a nation whose innocence was forever altered.

“Parkland”

Date: Wednesday, December 11, 7:00 p.m.
Location: Flagstaff Harkins Theatre

Andrea Houchard from the NAU Philosophy Department will lead a discussion following the film screening.
