6th through 8th Grade Teachers

Center for Science Teaching and Learning
“Come Learn with Us!”

Teaching Space Science:
An Integrated Approach to the Standards

When:
June 28-30, 2016  
June 28-29, 9:00 a.m to 4 pm  
June 30, 9:00 a.m to 2 p.m
Optional evening telescopic observation session

Location:
NAU Flagstaff Campus  
Flagstaff, AZ

Registration Fee: $50
Includes GEMS Space Science Sequence kit for Grades 6-8 (retail value ~$1,000), lunch daily, and up to a $300 stipend to defray travel and room arrangements.  
(The registration fee will be refunded upon attendance of all three days of the workshop if your school did not cover this fee.)

For more information: cstl@nau.edu

See registration form on reverse side

Please note: Workshop attendees will be asked to participate in follow-up evaluations on how the curriculum materials are being implemented and what impact the materials have on student learning.

Space Science Standards
- How Does the Sun Affect the Earth?
  - Why Are There Seasons?
    - The Solar System
  - Beyond the Solar System
- Earth’s Place in the Universe

Sponsored by:
Northern Arizona University  
Center for Science Teaching and Learning  
Department of Physics and Astronomy  
NAU/NASA Space Grant
$50 - individual registration includes:
• An overview of the GEMS Space Science Sequence for grades 6-8;
• One space science kit;
• Interactive experience with key activities for each of the curriculum’s four units, including time to get into and organize your kit;
• Optional evening telescopic viewing session;
• Visit to Lowell Observatory
• Lunch provided all three days;
• Up to $300 travel stipend for travel outside a 50-mile radius, plus reimbursement of registration fee (if not paid by district);
• 16 Professional Development hours.

Payment and registration must be received by June 8, 2016. Registration is limited; register today!
