Think Pink Artsy Bras Event

Raising Awareness and Celebrating Lives

Wednesday, Oct. 21, 2015, 5-8 p.m.
Northern Arizona University – Health and Learning Center

Sponsorship Opportunities

The Cancer Centers of Northern Arizona Healthcare, Zeta Tau Alpha Foundation and Northern Arizona University are partnering to raise awareness about breast cancer, and celebrate the lives of those impacted by this disease, through the Think Pink ARTSY BRAS Event. We are inviting students, faculty, employees, providers and community members to help us raise funds to provide prevention education and patient/family support for those surviving breast cancer. Participants will decorate bras and corsets to help share their inspirational stories about breast cancer. There will be participant judging, prizes for the winners in 5 different categories, and a silent auction at the event. Tables are available for sponsors to provide participants with education and resources. Breast cancer does not discriminate on the basis of gender; I think we should delete this, as the vast majority of breast cancer patients are female age, ethnic background or socio-economic levels. We would like to invite you to help us make a difference in northern Arizona by becoming a sponsor for the event.

Bronze: $100
Recognition in program and name/logo on event advertisements
