Thanksgiving in the Community

The official word on weather

With Thanksgiving just past, it is critical to ensure that students and their families are safe and happy. Here are some weather tips to keep in mind:

1. Snow: Snow can be dangerous, especially on campus paths and roads. Please be mindful of potential hazards and take extra precautions to stay safe.
2. Ice: Ice can make walking and driving challenging, so be sure to wear appropriate shoes and use caution when navigating slippery surfaces.
3. Wind: Strong winds can make outdoor activities difficult, so consider moving indoor events if possible.
4. Cold temperatures: Dress in layers and stay warm to help prevent hypothermia.

If you need assistance during Thanksgiving weekend, please don’t hesitate to contact us. We are here to help ensure that everyone has a safe and enjoyable holiday.
