Parent to Parent: New Year’s Resolutions

Dear Parent,

Attracting and retaining top-notch students is our top priority. NAU is focused on recruiting and retaining the most promising students so that we can continue to offer a high-quality education in a warm and welcoming environment.

As a parent, you play an important role in your student’s success. NAU encourages parents to continue to stay involved in the college application process and to support their students in their academic and personal development.
