Jacks in Action Alternative Spring Break Trips

Alternative Spring Break trips, brought to you by the NAU Civic Service Institute, are an opportunity for students to volunteer and serve others in the community. This year marks the 10th year for the trips and we hope you'll consider participating. Let's come together to make a difference and build a stronger understanding of the importance of social issues that we face in our community and beyond. Interested students may choose from three trips:

- Olmsted Cherokee Heritage House: Experience the history and culture of the Cherokee Nation.
- Seeds of Change in Flagstaff: Explore food security and food access issues in Flagstaff.
- Southern Arizona Immigration Issues in Tucson and Nogales: Experience the realities of immigration on both sides of the border.

Visit the Alternative Spring Break website for more information on trip costs and application.
