Petitions without documentation as stated below will be denied.

- Describe extenuating circumstances (including dates congruent with circumstances and timelines in your petition).

### 2. MEDICAL ISSUE

- How it prevented the student from completing their course work and following normal university policies and procedures

**NOTE:** A formal signed letter on official letterhead with all details mentioned above is required. - Accident
- Loss of employment due to forced layoff
- Military deployment

Required documentation for death of family member:
- In your personal statement, you must indicate your relationship to the decedent.

### 2. NON-ATTENDANCE (Zero class participation)

Non-attendance definitions:
- Non-attendance for an online class is defined as a student never having logged into the class
- Non-attendance for an in person class is defined as a student never having attended a single class or having participated in any way (i.e. no record of turning in an assignment, taking a quiz, etc.)
- Non-attendance for a hybrid class is defined as a student never having; logged into the class, attended a single class or participating in any way (i.e. no record of turning in an assignment, taking a quiz, etc.)

Required documentation for non-attendance:
- From each class being petitioned- an email or memo on NAU letterhead from the instructor stating the following:
  - Class, term, name of student, and the statement that the student never attended the class (as defined above)

### SITUATIONS THAT DO NOT MERIT AN EXCEPTION TO POLICY

The institution expects students to accept responsibility for their academic performance unless there have been severe extenuating circumstances as described above. The following circumstances will not be considered for petitions:
- Financial issue (Students are responsible for securing payments and following up on their financial aid to ensure it will disburse on time)
- Academic difficulty (failing grades and/or desire to clean-up academic record)
- Change in major
- Change in career goals
- Overcommitted (i.e. course load, student activities, employment) without additional circumstances beyond student’s control

Typically, students may not withdraw from an individual course within a term or session when they have passed other courses within the same term or session. However, exceptions can be made under extenuating circumstances, which should be detailed in the petition. These requests will be carefully considered by the offices charged with making those final decisions.
