ABOR Statement on In-State Tuition for DACA Students

The Maricopa County Superior Court has ruled that a Deferred Action for Childhood Arrivals (DACA) recipient who presents an employment authorization document and who meets Arizona law residency requirements is eligible for resident tuition (State of Arizona v. Maricopa County Community College District). The Arizona Board of Regents will interpret its policies in accordance with this ruling. This will allow DACA students with an Employment Authorization Document who meet the statutory and policy requirements for residency to establish in-state residency for tuition purposes at our Arizona universities.

- ANY SECTION LEFT BLANK MAY JEOPARDIZE THE STUDENT’S CASE FOR RESIDENCY.
- This form must be completed, notarized, and returned to the Residency Classification Office. Submit this affidavit and supporting documents to the appropriate office as indicated above.
- Supporting evidence must be provided as clear and legible photocopies.
- The student will be contacted if the office requires further information.
- The student will be notified of the classification decision by mail.
- *Students may only apply for residency and appeal any decisions once during a term.
