The Student Philanthropy Council at NAU
HOLIDAY NEWSLETTER

Who are we?
The Student Philanthropy Council at NAU (SPC) is an organization on campus dedicated to giving back and educating the student body on the importance of philanthropy and charitable contributions.

Our Scholarships
SPC has two scholarships that are solely funded by the contributions of generous NAU students, the NAU Student Philanthropy Scholarship and the NAU Senior Legacy Scholarship. Our main source of funding for these scholarships is through our annual telethon by the True Blue Call Crew. You can learn more about our scholarships on our webpage: nau.edu/spc
Going Home for the Holidays? Give Back to Your Community!

Whether you are spending winter break in Flagstaff or another city, we encourage you to take the opportunity to give back to your community. Here are a few ideas:

- Volunteer at your local animal shelter or food bank
- Clean up nearby beaches, parks, or trails
- Visit a senior community or home
- Donate food, clothes, or money to a charitable organization
