Gateway Student Success Center
First-Year Academic Advising Learning Outcomes

Gateway is committed to developing self-directed learners with positive degree progression and a goal of an on time graduation through mastery of the following learning outcomes. Upon transition to departmental advising, student will be able to:

1. Identify a purpose at NAU and begin identifying goals for making the most of their NAU educational experience.
2. Locate and interpret their Academic Requirements Report.
3. Locate and interpret their degree’s Progression Plan.
4. Locate and demonstrate how to search the Academic Catalog.
5. Describe requirements, including number of courses or units, for liberal studies distribution and foundation blocks.
6. Describe how to use the Academic Requirements Report, Progression Plan, and Academic Catalog together to select courses each term.
7. Locate and demonstrate how to use the following tools, preferably found in MyNAU Student Portal, (including but not limited to):
   a. NAU email
   b. Action Center
   c. GPS
   d. Class Schedule
   e. Search / enroll / drop / swap courses
   f. Academic Advisor
   g. Enrollment date
   h. NAU Index
   i. Unofficial transcripts
   j. Change of Major
   k. Holds
   l. Finances
   m. GPA Estimator
   n. BbLearn
8. Show resiliency navigating unfamiliar environments, identifying appropriate resources, and asking for help.
9. Demonstrate an ability to build connections and collaborative relationships with peers, departments, faculty, staff or clubs and organizations to create a system of support.
